with DELTA DENTAL OF OKLAHOMA

DDOK Training Sessions Now Available Virtually!

Delta Dental of Oklahoma is now offering virtual training sessions on OSHA, HIPAA and our new Health *through* Oral Wellness® (HOW®) enhanced benefits.*

Our specialized training programs are facilitated by a live trainer to provide personalized, up-to-date information on regulations and opportunities relevant to your dental practice.

All courses provide Category B Continuing Education (CE) credit and may be scheduled as a single course or a package of multiple courses.
