Consult with your licensed health insurance agent about our Individual & Family programs.

Delta Dental of Oklahoma Provides Affordable Coverage for Individuals & Families

At Delta Dental of Oklahoma, we believe all Oklahomans deserve access to great dental care. In addition to our dental programs for companies from 2 – 20,000 employees, we are pleased to offer individuals and families great options for dental care, which include fully-insured programs, as well as a discount program (a non-insured product).

So, whether you are self-employed, retired, a student or simply want a dental program that is not tied to your place of employment, Delta Dental has the perfect solution for you and your family.

Save money while improving your oral health!

Regardless of which Delta Dental program you choose, you'll save on the majority of dental treatments including the examples listed below. As a Delta Dental member, you can potentially save hundreds of dollars per year on the cost of your dental care.

- » Diagnostic & Preventive
Cleanings, exams, x-rays, etc.
- » Basic Restorative
Fillings, extractions, periodontal maintenance, etc.
- » Major Restorative
Crowns, bridges, dentures, etc.
- » Orthodontics
Available with some plans

Dental care that stays with you!

Even if you change jobs or your employer discontinues coverage, your valuable Delta Dental benefits stay with you! That's real peace of mind, knowing the dental benefits you need and pay for are the ones you'll keep, no matter where you work.
